

	<h2>Quality and Environmental Policy</h2>		
Issue May 2017 Brody See Senior Manager, Operational Excellence	Revised Mar 2022 Brody See Senior Manager, Operational Excellence	Approved Mar 2022 Cheryl Hacking President	Rev.: G Page 1 of 1

IMT Standen’s Limited Partnership (Standen’s) believes trust is at the core of every interaction, and understands trust begins internally with an engaged and supported workforce. It is an expectation that we preserve the trust customers and other interested parties have in our products and services. This is achieved, and continuously improved, through a commitment to:

- The safety of all who interact with our processes and products;
- Customer success;
- High quality products and services;
- Environmental protection along with pollution prevention and reduction.

Standen’s will meet or exceed applicable customer, industry, legislative and compliance requirements. Furthermore, Standen’s insists on the same level of commitment from its suppliers and contractors.

Standen’s Quality and Environmental Objectives:

1. Maintain Total Recordable Injury Frequency Rate at or below 15
2. Achieve Production Target of 388 tons per week, leading to 95% On Time Delivery
3. Maintain Cost of Poor Quality below 0.40%
4. Reduction in CO2 Emissions by 10%

Signed,

Standen’s Management
